THE BIG ISLAND

Bigger than all of the other Hawaiian Islands combined, you'll find 11 of the world's 13 climactic zones on Hawaii's Big Island... Cascading streams and waterfalls... The world's most active volcano... 20 magnificent championship golf courses... And shopping and dining to your heart's content. There's simply more to see on the Big Island.

ASTON KONA BY THE SEA

Along the rugged volcanic coastline south of Kona, you'll find this peaceful oceanfront resort.

Conveniently located near the charming shops and restaurants of historic Kailua-Kona town, you can also visit the on-site activities desk to arrange tennis, golf, horseback riding, deep sea fishing, or even a helicopter ride over Kilauea volcano.

There are picture-perfect ocean views from every suite and spectacular sunsets from almost anywhere on the property.

This home away from home comes complete with a generous swimming pool, jet spa, shady barbecue areas and an oceanfront lounging area where you can indulge yourself by doing nothing at all.

Each suite has a private lanai, air conditioning, and a fully equipped kitchen with a microwave, coffee maker, and blender, and also comes with cable TV, high-speed Internet access and an in-room washer and dryer.

We also offer a small, oceanfront meeting space that is adjacent to the pool and barbecue areas, perfect for corporate meetings or family events.

It's a relaxed atmosphere. An easy place to do what you please.
