## THE MAGIC ISLE

If you take in the sunrise above the clouds from atop Haleakala, Maui's 10,000-foot dormant volcano... or walk the beach at sunset anywhere along the Kihei Coast... or drive the marvelous rainforest road to Hana, you'll begin to understand why Maui is such a special place for so many people.

## ASTON MAUI LU

This charming and peaceful beachfront hotel offers all of the ambience of "Old Hawai'i." You can wander the 28 acres of this resort in the shade of Maui's oldest coconut grove. It's a great place to discover a romantic cove that's "all your own," or relax by the pool sheltered and protected from an island that's grown more popular every year.

For the more active, there's a generous swimming pool, tennis courts, two private beach coves and outdoor barbecue areas.

Most of the rooms offer a private lanai and all offer air conditioning, a refrigerator, color cable TV and a very relaxed atmosphere.

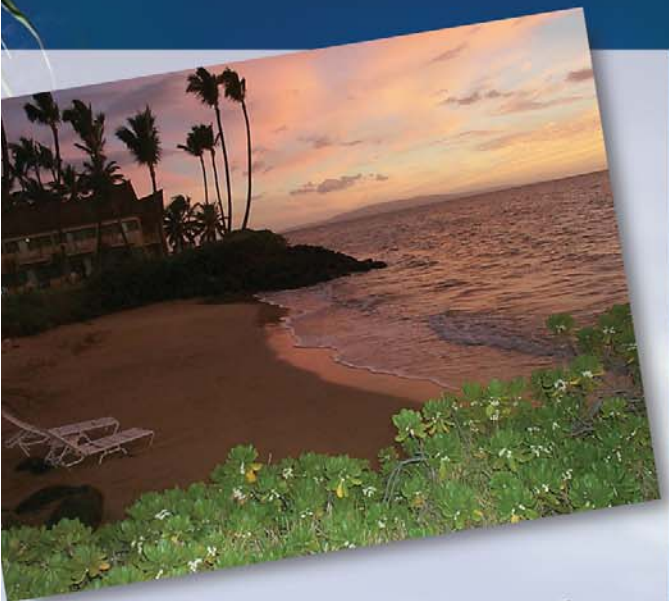

This is a wonderful place to kick back and relax, and one of the best home bases from which to explore all that Maui has to offer.

Hike the path up to Lao Needle, take a snorkel cruise or try a little shopping and dining in Lahaina or along Maui's South Coast. At the Aston Maui Lu, you're virtually at the crossroads of the island. It's a short drive to everything that The Magic Isle has to offer.

If you're looking for a quiet escape at a great price, this may be your ideal vacation retreat.
