## WAIKOLOA BEACH RESORT

This spectacular natural setting is located in the heart of The Big Island's Sunshine Coast. Waikoloa's 1,350-acre resort hosts two championship golf courses, pristine beaches and an assortment of preserved cultural sites as well as The Kings' Shops and Queens' MarketPlace for shopping, dining and entertainment.

## ASTON SHORES AT WAIKOLOA

Aston Shores at Waikoloa is a gated property offering one, two and three bedroom suites as well as golf villas that are situated overlooking the 13th hole of the championship Waikoloa Beach Course.

Guests have complete access to all of Waikoloa Beach Resort's facilities including hiking and jogging trails, upscale dining and shopping, health spas and special rates on green fees.

The property has extensive grounds that include rolling paths, a pool, jet spa, tennis courts and a fitness center.

Every suite or villa has central air, a full kitchen with a microwave and dishwasher, thoughtful touches like a coffee maker, blender and rice cooker, plus high-speed Internet access, and an in-suite washer and dryer.

And each suite is exceptionally spacious, with generous lanai areas and patios that increase the usable living area and provide an open, Hawaiian-style sense of place.

Everything that you need to make this your perfect vacation experience is a short, five-minute drive away.

Aston Shores at Waikoloa is an ideal place to bring the family or your favorite foursome.

*This is a gated community designed for the active family.*

*There are extensive grounds that include rolling paths, a pool, a jet spa, tennis and a fitness center. Conveniently located on the 13th hole of one of Hawai'i's best-known golf courses, the Waikoloa Beach Course.*

The Big Island has some of the world's most dramatic scenery from snow-capped peaks to tropical rainforests.

Add to that over 20 great golf courses, a myriad of shopping and dining opportunities and the world's most active volcano, and you'll find that having fun is a way of life on the Big Island.
